About this Directory

This directory is aimed at facilitating communication and cooperation between service providers targeting young people in outer Western Sydney. We gratefully acknowledge the support of the **Youth Interagencies**, **JobQuest** and the **National Disability Coordination Officer Program** with this publication.

Try as we might there will be no doubt this directory will contain errors and omissions. We encourage your feedback, corrections and additions for use in any future reprints. Please check www.schoolsindustry.com.au for updated online versions of this directory. You may also like to subscribe to our e-newsletter too!

Please feel welcome to contact me and share your ideas and enthusiasm to help the young people of our region.

About the Schools Industry Partnership

The Schools Industry Partnership provides the federally funded School Business Community Partnership Brokers Program which fosters a whole-of-community approach to supporting young people as they learn and develop—with a key goal of ensuring that young Australians attain Year 12 or equivalent qualifications.

The program operates nationally and is based on the principle that education and training for young people is a collective responsibility. With this in mind, Partnership Brokers build partnerships between schools and training organisations, business and industry, community organisations and parents and families.

Please phone **4725 0310** or email ian@schoolsindustry.com.au to discuss how you can get more involved in supporting the region's young people reach their true potential.

About the Nepean Careers Forum

The Nepean Careers Forum supports Careers Advisers in schools across outer Western Sydney. The forum meets regularly with TAFEs, universities, industry representatives and other professionals to ensure students are provided with accurate and timely career services.

Major activities also include:

The **Nepean Careers Market** - The largest careers market in Western Sydney.

Partnering for the **Western Sydney Apprenticeship and Traineeship Expo** - A recruitment fair that also promotes skilled pathways to parents and employers

Partnering for the **Western Sydney Try'a Trade** - A two day event where students try their hand at over twenty skilled trades and professions.

About the National Disability Coordination Officer Program

The National Disability Coordination Officer program aims to assist people with disabilities move from school or the community into higher education, training and then onto their chosen career. **Ph. 9678 7378**

Specifically the position aims to:

- [improve transitions](#) for people with a disability from their school or community into post-school education, training and subsequent employment;
- [increase participation](#) by people with a disability in higher education, vocational education and training and employment;
- [establish better links](#) between schools, universities, TAFEs, training providers and disability service providers so that they can work together to provide the best possible assistance for people with a disability.

What can the NDCO program provide?

- [Information & advice](#) on post-school options, supports & services.
- [Assistance in understanding](#) the transition to post-secondary education and training, and to employment.
- [Links with appropriate services](#) to assist you plan for and make a successful entry into further study and employment.
- [Professional development sessions](#) to increase disability awareness and disability confidence in education and workplace environments.

About JobQuest and the Youth Connections Program

JobQuest is a not-for-profit community organisation and RTO providing services to help disadvantaged members of the community to be resourceful, independent and self-reliant, and be connected and accepted by the general community. **Ph: 4731 4400**

JobQuest provides a range of services including:

- [Youth Connections](#) supports young people aged 11 – 19 years to attain Year 12 or its equivalent and helps them make a successful transition through education and onto future education, training or employment.
- [Links to Learning](#) is designed to assist young people to remain engaged in education or transition into further education, training or employment.
- [ACCESS](#) program provides vulnerable job seekers experiencing barriers to skilled employment with nationally recognised pre-vocational training, support and assistance.
- [National Green Jobs Corp](#) provides work experience and accredited training with a focus on the environment to young people aged 17-24 years who are unemployed and not in full time education.
- [RAW and Synergy Boys](#) in school programs working with students from culturally and linguistically diverse backgrounds.
- [School Based Traineeships](#) in Retail, Real Estate and Business Services. JobQuest work closely with students on this alternative pathway as part of completing their HSC.
- [Traineeships](#) combine paid employment with training leading to a nationally recognised qualification.
